CONDITIONS OF ENTRY

Entries must be presented in a clean, complete and safe working condition.

Owners must ensure all drivers of the exhibits are qualified in law to handle the class of vehicle involved (no under age drivers). No exhibit is to be left running in the Control of any person unable to stop it in an emergency. No exhibit shall be left running unattended. All vehicles shall be safely parked, securely braked and / or chocked.

No static exhibit with exposed moving parts below a height of 6 feet shall be operated other than behind a fence or rope provided as required by the organisers.

A speed limit of 10 mph shall apply to all vehicles, including modern vehicles, on the Show field.

Competitors must pay proper regard to the marshal's instructions and conduct themselves in a manner which will not inconvenience other persons on the field.

INSURANCE REQUIREMENTS

All preserved machinery attending the Show must be covered by the minimum insurance requirement as required by the Road Traffic Act if the exhibit is not excluded from use on the Public Highway, irrespective of whether it is licensed or not.

If the exhibit is not self-propelled it must be covered by a public liability policy having a limit of indemnity of not less than £2,000,000, in any one accident.

ALL INSURANCE DETAILS MUST BE INCLUDED ON THE ENTRY FORM OR YOUR ENTRY WILL NOT BE ACCEPTED.

INSURANCE OF STEAM ENGINES AND BOILERS

All steam engines and boilers must be insured against boiler explosion, third party and public liability risks including use on rally fields, with a minimum indemnity of £2,000,000 for any occurrence. In addition Sparks and Ashes cover must be included with a minimum £100,000 indemnity. You will be required to produce documentary evidence that such cover is in force before entering the rally field.

Note: **DOCUMENTARY EVIDENCE IS THE NTET DISC.**

Model engines at 5" scale and above are considered to be full size for the purpose of insurance.

Individual or Group (Club) insurance must be held which provides a minimum of £2,000,000 Public Liability indemnity including boiler explosion. In addition Sparks and Ashes cover must be included with a minimum £100,000 indemnity. Proof of a boiler inspection certificate must also be held.

Note: The Southern Federation of Model Engineers and the Northern Federation of Model Engineers issue a 'Proof of Insurance and Inspection Disc' which is similar in design and function to the NTET's Insurance Scheme Disc.
